# Conference on the Future of Europe

The inaugural event celebrated the launch of the participatory process set up jointly by Parliament, Council and Commission.

On Europe Day 2021, the European Parliament in Strasbourg hosted the inaugural event of the Conference on the Future of Europe.

### Celebrating Europe Day

The Presidents of the EU institutions delivered speeches on their vision for Europe, following a welcome speech by President Macron, while the Co-Chairs of the Executive Board answered questions posed by citizens from across EU Member States. Erasmus students from across the EU, together with members of the Conference's Executive Board were physically present, fully respecting the applicable sanitary rules, and over 500 citizens attended the event remotely.
